- **WPHS Award Ceremony:** will be at the High School at 6:30 PM **May 18**
- **Membership:** Dan Weber reported the goal set for 2016 is 122 members renewed for Post 1980; we are at that goal. Paperwork for the last 2 will be mailed to Department tomorrow. 2017 membership renewal starts July 1, 2016.
- **McCandless Vets Home:** Bob Lowry reported 6 Post members visited the home on April 9, bringing donuts, clothes, books and Jim Spieth's toys. This is always an inspirational visit with these elderly vets. Bob also attended the Volunteers banquet held the following Wednesday.
- **Vet's Hall Remodel:** Dan Weber reporting. Home Depot foundation is funding the renovation. The hall, owned by the VFW, was originally built in ~ 1938. Local contractors submitted bids to Home Depot who is supplying most materials, and paying for all. This has been split into at least 2 phases. Work has been reviewed and approved by Teller

county inspectors under a tight schedule. On April 9, ~ 15 volunteers removed all items, storing them in a storage bin on the premises. Underway now is removal and replacement off inside walls, ceiling, and electrical wiring, as well as extensive landscaping on the south side. The upstairs furnace has been removed and main furnace replaced. The downstairs area is also being remodeled. Flooring for the entry way and kitchen has been removed in order to level the front of the building, which had no foundation. The outside has been power washed and scrapped and will be primed. Key date is May 11, when 100+ Home Depot employees attending a meeting at the Broadmoor will arrive ~ 7 AM to spend 4 hours doing "finishing" work, (painting, tree planting, picket fence installation, picnic bench construction, etc.). The Post and VFW will have a brief (10 min) ceremony with honor guard (Robby Cox, Paul James, Chuck Gardner, Rod Herk and at least 1 member of the VFW). Press will be present. Phase 2 work (whatever is not done by May 11) will include new kitchen appliances. Depending on condition of the kitchen/ front hall on May 11, the hall may be usable for our May 24 Post meeting.

- **Confederate Memorial Day:** Buck Duggar reporting; 2 members of Post 1980 are also members of the local Sons of Confederate Veterans chapter, Jefferson Davis Camp 175. . Those and 2 additional Post 1980 members attended a ceremony held at Evergreen Cemetery in Colorado Springs on April 23 to honor 16 confederate veterans interred there. Buck thanked Post 1980 who assisted by writing a letter of support to cemetery management encouraging them to allow this ceremony to honor these American veterans. The ceremony included bagpipes and a 21 gun salute from an honor guard dressed in Confederate attire firing flintlocks. **If you have confederate soldiers in your ancestry and would like to honor them, let me know and I will put you in contact with Buck.**
- **Adopt a Highway;** Keith Wilson reporting. For the 3<sup>rd</sup> week in a row we are cancelling HWY 67 cleanup due to weather. We will reschedule for next month to a time TBD. Also, Norm Steen will intervene so we can get the MIA/POW signage reposted.
- **Pig Roast/ Silent Auction:** Chuck Gardner reporting. The event will be at the Crystola Roadhouse on June 11. We still need volunteers to go to local businesses and solicit donations for the silent auction. We see these local business each year and they are very supportive of our programs, so this is always a great way to be active in the community. **Contact me if you can assist** alone or with another member. Also attached is the sign-up sheet for the pig- cooking from 11PM June 10 through 9AM June 11. **Please let me know if you can assist.**
- **Resolution:** Bob Lowry presented the resolution **to expand membership eligibility in the American Legion to all members who have honorably served in the Armed Forces of the United States, not just those who have served in wartime.** Tom Bock at State has been consulted and his recommendations have been incorporated. Bob did extensive research on countering National objections to previous similar resolutions and these have been incorporated in the resolution. Post 1980 members present unanimously approved the resolution; which will now be forwarded to district for consideration. The request is for review at the May 7 District convention, although the requirement for submission 30 days prior can't be met, District officers present will inquire if an exception can be granted. If not, it will be considered at a future convention. If approved by District, it will proceed to Department of CO, then National, then Congress for consideration. **A copy of the resolution is attached.**
- **July 4 Booth:** Paul James reporting; Vern Wilson has secured a booth for the event Vern also checked with event management, who OKd (and the post approved) offering food on a donation basis rather than charging specific amounts.
